3. Preface:

As per Pension Fund Regulatory and Development Authority (PFRDA) Exit Regulations, 2015 & amendments thereto, in case of Superannuation exit from NPS (exit after attaining the age of Superannuation/retirement), at least 40% of the accumulated pension wealth of the Subscriber needs to be utilized for purchase of an Annuity providing for a regular pension to the Subscriber and the balance pension wealth is paid as a lump sum to the Subscriber.

In case, total corpus in NPS account is less than or equal to Rs. 1 Lakh, the Subscriber can avail the option of complete (100%) Withdrawal.

Further, Nodal office/Aggregator can raise Online Superannuation Exit request in NPS Lite System (<https://apy.nps-proteantech.in>) with Maker and Checker concept.

You may refer the regulations/guidelines/circulars available on PFRDA website (www.pfrda.org.in) / CRA website (www.npscra.nsdl.co.in) for more information on exit under NPS.

4. Procedure for Processing Online Superannuation Exit request of Subscriber:

Pre-requisite for Online Superannuation Exit request:

- The 10 digit Claim ID is generated by CRA six months before attaining the age of superannuation/retirement. Subscriber may modify details in NPS Record in advance if required.
- The dully filled Physical Superannuation Withdrawal Form is submitted by Subscriber along with KYC documents, bank proof and Copy of PRAN card/ePRAN of the Subscriber.
- Bank Account details of the Subscriber are updated in his/her NPS account.

Nodal office/Aggregator should ensure following before initiating Exit request:

- ✓ NPS account is FATCA compliant – Exit from NPS is not allowed if PRAN is not FATCA-compliant.

- ✓ PAN is registered in NPS account wherever applicable.
- ✓ Supporting documents like copy of Photo ID proof, copy of Address proof, copy of bank proof, Copy of PRAN card/ePRAN etc. of Subscriber are provided.
- ✓ Bank details should be correct/valid – *During request initiation, Bank Account No., Bank IFS Code and Name of the Subscriber will be verified through online Bank Account Verification (Penny drop facility). **If Online Bank Account Verification (Penny drop) fails, request initiation will not be allowed.*** Hence, Bank account number and IFS code should be active and operative. Also Name of Subscriber as per CRA and bank record should match.

If required, Subscriber can submit physical request to associated Nodal Office/Aggregator for modification of details (Address, Contact details etc.) in NPS Lite System and then initiate exit request.

Brief Steps – Processing of Online Superannuation Exit request by Nodal Office / Aggregator:

- Verification & Attestation of Physical Superannuation Withdrawal Form and supporting documents by Nodal Office / Aggregator. **Nodal Office/Aggregator, upon receiving the withdrawal request, shall take the necessary steps to identify the Subscriber. It is the responsibility of the Nodal Office/Aggregator to check the veracity of the supporting documents submitted by the Subscriber along with claim and may obtain additional supporting documents if required to ensure that claim amount is given to the Subscriber.**
- Initiation of request by Nodal Office / Aggregator in the NPS Lite System through One User ID.
- During request initiation, Bank Account No., Bank IFS Code and Name of Subscriber will be verified through online Bank Account Verification (Penny drop facility).
- Mandatory Upload of valid and legible Physical Superannuation Withdrawal Form and supporting documents (i.e. Identity & Address Proof, copy of PRAN card/ ePRAN and Bank Proof). Scanned documents should be appropriate i.e. scanned images should be legible and all documents to be uploaded in a single file.
- Submission of Withdrawal request in NPS Lite System.

Figure 21

On successful authorization of Exit request by Nodal Office/Aggregator, same will get executed in the NPS Lite system. Accordingly, Lump sum and Annuity share (if applicable) will be transferred to Beneficiary's Bank Account within stipulated withdrawal timeline as mentioned below point 8.

However, for Superannuation Exit, if Subscriber has not completed Superannuation/retirement, request will get executed in NPS Lite system after completion of Superannuation/retirement.

7. Annuity Issuance Process:

On processing of exit request in NPS Lite System, Subscriber details will be shared with Annuity Service Provider (ASP) opted by Subscriber during initiation of exit request, if annuity is applicable. ASP will issue Annuity policy on the basis of details entered by the Subscriber at the time of initiation of exit request.

Subscriber will submit annuity related documents to selected ASP. If documents provided are not sufficient/incorrect or any additional documents required, then ASP may contact Subscriber for completion of annuity formalities. Alternatively, if required, Subscriber may contact ASP. Complete contact details of ASP are available on CRA Website (www.npscra.nsdl.co.in).

On completion of annuity formalities, ASP will confirm Annuity request of the Subscriber online in the NPS Lite System. Funds (Annuity Corpus) will be transferred to ASP by Trustee Bank (Axis Bank) within stipulated withdrawal timeline as mentioned below point 8(e).

8. Withdrawal Timeline (Lump sum and Annuity):

Lump sum and Annuity Withdrawal: -

- a. The process of Lump sum and Annuity withdrawal involves redemption of applicable units from Subscriber's NPS account and then transfer of lump sum funds in Subscriber's Bank Account & Annuity funds (if applicable) in selected Annuity Service Provider's (ASPs) Bank Account. **Lump sum and annuity withdrawals are processed in two different settlement cycle.**
- b. In NPS Lite system, redemption of units happens only on working day (excluding Saturday, Sunday and holidays) which is called a Settlement Day. The settlement cycle runs between 10.30 AM* to 12.30 PM*.
- c. Once Nodal Office/Aggregator authorize Withdrawal request, then withdrawal request is considered for processing on next day settlement cycle (T). The redemption of lump sum share units happens on next working day (Day T+1) with NAV of next working day (Day T+1) and then fund transfer happens on Day of redemption + 2 working days. *For example, if request is authorized by Nodal Office/Aggregator on January 2, 2024, the request will get considered for processing on next working day, redemption of lump sum share units will happen on January 3, 2024 with NAV of January 3, 2024 and fund transfer will happen on January 5, 2024.*
- d. After completion of settlement cycle of lump sum withdrawal (stated in point C) by 12.30 PM, Subscriber details are made available in the NPS Lite system to selected ASP on the day of settlement of lumpsum after 12.30 PM. Selected ASP can view the Subscriber's details in their ASP login for further processing.
- e. On completion of annuity formalities, ASP confirms annuity request in NPS Lite system, and it gets considered in next settlement cycle (Day T). Accordingly, annuity share units get redeem in Day T & funds transfer to ASP's bank account on T +2 days (T being date of settlement) for issuance of annuity. *For example, if annuity request is submitted/authorised by ASP on January 9, 2024, the request will get considered for processing on next working day settlement cycle, redemption of annuity units will happen on January 10, 2024 with NAV of January 10, 2024 and fund transfer will happen on January 12, 2024.*

Annuity policy shall be issued by ASP within T+2 working days of receiving the funds at their end

Point to Note – Quality Check:

As part of the remittance monitoring process, documents / validations (as per the PFRDA regulations) are checked and if found successful, funds are transferred to the respective beneficiary's bank account as per the settlement process and timelines as stipulated above. If not, funds are kept on hold.

Cases for which funds are kept on hold are shared with respective Nodal Offices/ Aggregators for necessary clarification/documents. On receipt of response from the Nodal Office/Aggregator along with valid supporting documents, reverification is carried out and if documents/clarifications are found to be in order, funds will be transferred within 3 working days of receipt of response from the Nodal offices/Aggregators.

Submission of Physical Documents:

Physical Superannuation Withdrawal Form and supporting documents are not required to be submitted by Nodal Office / Aggregator to Protean-CRA for storage purpose.
