c. If request is submitted (authorised) before cut-off time of settlement (before 11.00 AM*) on settlement day in CRA, then request is considered for processing on same working day. The redemption of units happens on same working day (Day T) with NAV of same working day (Day T) and then fund transfer happens on Day of redemption + 2 working days. For *example, if request is submitted/authorised on January 2, 2024 (at 9.30 am), the request will get considered for processing on same day, redemption of units will happen on January 2, 2024 with NAV of January 2, 2024 and fund transfer will happen on January 4, 2024.*
d. If request is submitted (authorised) after cut-off time of settlement (after 11.00 AM*) on settlement day in CRA, then request is considered for processing on next working day. The redemption of units happens on next working day (Day T+1) with NAV of next working day (Day T+1) and then fund transfer happens on Day of redemption + 2 working days. *For example, if request is submitted/authorised on January 2, 2024 (at 01.30 pm), the request will get considered for processing on next working day, redemption of units will happen on January 3, 2024 with NAV of January 3, 2024 and fund transfer will happen on January 5, 2024.*

** Cut-off time for considering request for settlement may extend due to various factors.*

Point to Note – Quality monitoring process:

As part of the remittance monitoring process, documents / validations (as per the PFRDA regulations) are checked and if found successful, funds are transferred to the respective beneficiary's bank account as per the settlement process and timelines as stipulated above. If not, funds are kept on hold.

Cases for which funds are kept on hold are shared with respective Nodal Offices/POPs for necessary clarification/documents. On receipt of response from the Nodal Office/POP along with valid supporting documents, reverification is carried out and if documents/clarifications are found to be in order, funds will be transferred within 3 working days of receipt of response from the Nodal offices/POP. If no clarification is received from the Nodal Office/POP within 30 days, the funds will be reinvested in the PRAN.

Submission of Physical Documents:

Nodal Office/POP is not required to submit Physical Partial Withdrawal Form to Protean-CRA as option to upload documents is already provided in Online Partial Withdrawal functionality.
