On successful authorization of Exit request by Nodal Office, same will get executed in the CRA system. Accordingly, Lump sum and Annuity share (if applicable) will be transferred to Beneficiary's Bank Account within stipulated withdrawal timeline as mentioned below point 11.

However, for Superannuation Exit, if Subscriber has not completed Superannuation/retirement, request will get executed in CRA system after completion of Superannuation/retirement.

10. Annuity Issuance Process:

On processing of exit request in CRA, Subscriber details and scanned documents will be shared with Annuity Service Provider (ASP) opted by Subscriber during initiation of exit request, if annuity is applicable. ASP will issue Annuity policy on the basis of details entered by the Subscriber and documents uploaded at the time of initiation of exit request.

If documents uploaded are not sufficient/incorrect or any additional documents required, then ASP may contact Subscriber for completion of annuity formalities. Alternatively, if required, Subscriber may contact ASP. Complete contact details of ASP are available on CRA Website (www.npscra.nsdl.co.in).

On completion of annuity formalities, ASP will confirm Annuity request of the Subscriber online in the CRA system. On successful authorization of Annuity request by ASP, same will get executed in the CRA system and Funds (Annuity Corpus) will be transferred to ASP's Bank Account by Trustee Bank (Axis Bank) within stipulated withdrawal timeline as mentioned below point 11(f).

11. Withdrawal Timeline (Lump sum and Annuity):

Lump sum and Annuity Withdrawal: -

- a. The process of Lump sum and Annuity withdrawal involves redemption of applicable units from Subscriber's NPS account and then transfer of lump sum funds in Subscriber's Bank Account & Annuity funds (if applicable) in selected Annuity Service Provider's (ASPs) Bank Account. **Lump sum and annuity withdrawals are processed in two different settlement cycle.**
- b. In CRA system, redemption of units happens only on working day (excluding Saturday, Sunday and holidays) which is called a Settlement Day. The settlement cycle runs between 10.30 AM* to 12.30 PM*.
- c. If withdrawal request is authorized by Nodal Office before cut-off time of settlement (before 10.30 AM), then withdrawal request is considered in same day settlement cycle (T). The redemption of lump sum share units happens on same working day (Day T) with NAV of same working day (Day T) and then fund transfer happens on Day of redemption + 2 working days. *For example, if withdrawal request is authorized by Nodal Office on January 2, 2024 (at 9.30 am), the request will get considered for processing on same day, redemption of lump sum share units will happen on January 2, 2024 with NAV of January 2, 2024 and fund transfer will happen on January 4, 2024.*
- d. If withdrawal request is authorized by Nodal Office after cut-off time of settlement (after 10.30 AM*), then withdrawal request is considered for processing on next day settlement cycle (T). The redemption of lump sum share units happens on next working day (Day T+1) with NAV of next working day (Day T+1) and then fund transfer happens on Day of redemption + 2 working days. *For example, if request is authorized by Nodal Office on January 2, 2024 (at 01.30 pm), the request will get considered for processing on next working day, redemption of lump sum share units will happen on January 3, 2024 with NAV of January 3, 2024 and fund transfer will happen on January 5, 2024.*
- e. After completion of settlement cycle of lump sum withdrawal (stated in point C/D) by 12.30 PM, subscriber details are made available in the CRA system to selected ASP on the day of settlement of lumpsum after 12.30 PM (i.e in case of Point C on January 2, 2024 after 12.30 PM, and in case of point D on January 3, 2024 after 12.30 PM). Selected ASP can view the subscriber details in their ASP login for further processing.
- f. On completion of annuity formalities, ASP confirms annuity request in CRA system, and it gets considered in next settlement cycle (Day T). Accordingly, annuity share units get redeem in Day T & funds transfer to ASP's bank account on T +2 days (T being date of settlement) for issuance of annuity. *For example, i) if annuity request is submitted/authorised by ASP on January 9, 2024 (at 02.30 pm), the request will get considered for processing on next working day settlement cycle, redemption of annuity units will happen on January 10, 2024 with NAV of January 10, 2024 and fund transfer will happen on January 12, 2024. ii) If annuity request is submitted/authorised by ASP on January 9, 2024 (at 09.30 am), the request will get considered for processing on same working day settlement cycle, redemption of annuity units will happen on January 9, 2024 with NAV of January 9, 2024 and fund transfer will happen on January 11, 2024*

Annuity policy shall be issued by ASP within T+2 working days of receiving the funds at their end

** Cut-off time for considering request for settlement may extend due to various factors.*

Point to Note – Quality Check:

As part of the remittance monitoring process, documents / validations (as per the PFRDA regulations) are checked and if found successful, funds are transferred to the respective beneficiary's bank account as per the settlement process and timelines as stipulated above. If not, funds are kept on hold.

Cases for which funds are kept on hold are shared with respective Nodal Offices/POPs for necessary clarification/documents. On receipt of response from the Nodal Office/POP along with valid supporting documents, reverification is carried out and if documents/clarifications are found to be in order, funds will be transferred within 3 working days of receipt of response from the Nodal offices/POP.

Submission of Physical Documents:

Physical Withdrawal Form and supporting documents are not required to be submitted by Nodal Office to Protean-CRA for storage purpose for exit request initiated by Subscriber online in CRA System through digital signature (OTP Authentication/eSign).

12.Subscriber expires before purchasing annuity:

If Subscriber expires before purchasing annuity, then the annuity (Pension) shall be paid to the Spouse of the Subscriber (if any) for the lifetime. In case, **spouse is not there/not alive**, annuity shall be paid to living dependent mother and then to living dependent father of the deceased Subscriber. After the coverage of all such family members, the purchase price of the annuity shall be returned to the surviving children of the Subscriber and in absence of children, the legal heirs of the Subscriber as applicable.

In cases, **where Spouse is not there/not alive and the parents of the deceased Subscriber (father and mother) are not alive or alive, but not dependent**, then the purchase price (amount to be used for Annuity Purchase) shall be returned to the surviving children of the Subscriber and in the absence of children, the legal heirs of the Subscriber as applicable.

In such case, Withdrawal request will be processed under Death withdrawal category. Family member need to submit Death Withdrawal Form along with supporting documents to Nodal Office to process online death withdrawal request. Nodal Office may refer "SOP on Initiation and Authorization of Online Death Withdrawal request by Nodal Office "available on CRA website (www.npscra.nsdl.co.in).
