8. Withdrawal Timeline (Lump sum and Annuity):

Lump sum and Annuity Withdrawal: -

- a. The process of Lump sum and Annuity withdrawal involves redemption of applicable units from Subscriber's NPS account and then transfer of lump sum funds in beneficiary's Bank Account & Annuity funds (if applicable) in selected Annuity Service Provider's (ASPs) Bank Account. Lump sum and annuity withdrawals are processed in two different settlement cycle.
- b. In CRA system, redemption of units happens only on working day (excluding Saturday, Sunday and holidays) which is called a Settlement Day. The settlement cycle runs between 10.30 AM* to 12.30 PM*.
- C. If withdrawal request is authorized by Nodal Office before cut-off time of settlement (before 10.30 AM), then withdrawal request is considered in same day settlement cycle (T). The redemption of lump sum share units happens on same working day (Day T) with NAV of same working day (Day T) and then fund transfer happens on Day of redemption + 2 working days. For example, if withdrawal request is authorized by Nodal Office on January 2, 2024 (at 9.30 am), the request will get considered for processing on same day, redemption of lump sum share units will happen on January 2, 2024 with NAV of January 2, 2024 and fund transfer will happen on January 4, 2024.
- d. If withdrawal request is authorized by Nodal Office after cut-off time of settlement (after 10.30 AM*), then withdrawal request is considered for processing on next day settlement cycle (T). The redemption of *lump sum share* units happens on next working day (Day T+1) with NAV of next working day (Day T+1) and then fund transfer happens on Day of redemption + 2 working days. For example, if request is authorized by Nodal Office on January 2, 2024 (at 01.30 pm), the request will get considered for processing on next working day, redemption of lump sum share units will happen on January 3, 2024 with NAV of January 3, 2024 and fund transfer will happen on January 5, 2024.
- e. After completion of settlement cycle of lump sum withdrawal (stated in point C/D) by 12.30 PM, subscriber and annuitant details are made available in the CRA system to selected ASP on the day of settlement of lumpsum after 12.30 PM (i.e in case of Point C on January 2,2024 after 12,30 PM, and in case of point D on January 3, 2024 after 12.30 PM). Selected ASP can view the subscriber and annuitant details in their ASP login for further processing.
- f. On completion of annuity formalities, ASP confirms annuity request in CRA system, and it gets considered in next settlement cycle (Day T). Accordingly, annuity share units get redeem in Day T & funds transfer to ASP's bank account on T +2 days (T being date of settlement) for issuance of annuity. For example, i) if annuity request is submitted/authorised by ASP on January 9, 2024 (at 02.30 pm), the request will get considered for processing on next working day settlement cycle, redemption of annuity units will happen on January 10, 2024 with NAV of January 10, 2024 and fund transfer will happen on January 12, 2024. ii) If annuity request is submitted/authorised by ASP on January 9, 2024 (at 09.30 am), the request will get considered for processing on same working day settlement cycle, redemption of annuity units will happen on January 9, 2024 with NAV of January 9, 2024 and fund transfer will happen on January 11, 2024

Classification: Public	Version No. : 1.4	22.07.2025	Page: 45 of 45
------------------------	-------------------	------------	----------------

Annuity policy shall be issued by ASP within T+2 working days of receiving the funds at their end

* Cut-off time for considering request for settlement may extend due to various factors.

Point to Note – Quality Check:

As part of the remittance monitoring process, documents / validations (as per the PFRDA regulations) are checked and if found successful, funds are transferred to the respective beneficiary's bank account as per the settlement process and timelines as stipulated above. If not, funds are kept on hold.

Cases for which funds are kept on hold are shared with respective Nodal Offices/POPs for necessary clarification/documents. On receipt of response from the Nodal Office/POP along with valid supporting documents, reverification is carried out and if documents/clarifications are found to be in order, funds will be transferred within 3 working days of receipt of response from the Nodal offices/POP.

Submission of Physical Documents:

Physical Death Withdrawal Form and supporting documents are not required to be submitted by POP to Protean-CRA for storage purpose. POP needs to upload clear/legible Withdrawal Form and Supporting Documents in CRA system while processing online death withdrawal.
